STEP BY STEP

How ResumeAI Works

Four simple steps to create a resume that gets you hired.

1

Add Your Information
Enter your basic details, education, work experience, skills, and achievements.

- ✓ Easy-to-fill form
- ✓ Guided suggestions
- ✓ AI helps you write better

2

Let AI Do the Magic
Our AI analyzes your information, improves your content, and optimizes it for ATS.

- ✓ Smart suggestions
- ✓ Keyword optimization
- ✓ Professional tone & formatting

3

Choose a Template
Pick from 50+ modern, professional templates designed for every industry.

- ✓ Modern & clean designs
- ✓ Industry-specific templates
- ✓ Live preview

4

Download & Apply
Download your resume in PDF or share a link and start applying to your dream jobs.

- ✓ High-quality PDF
- ✓ Shareable link
- ✓ Ready to apply anywhere
